REVOLUTIONIZING THE WORLD OF MEDICAL BILLING

A MEDICAL BILLING COMPANY

codecaremb.com

Our Company:

- We specialize in providing comprehensive billing services for healthcare practices, allowing our clients to focus on providing quality care to their patients without the added burden of managing their own back office work.
- Our team of experienced billing professionals is dedicated to maximizing revenue and minimizing denials & complications for our clients. We understand the complexities of medical billing and stay up-to-date on industry regulations and codes to ensure accurate and timely billing submissions.

Our Services:

1. Provider Credentialing
2. Patient Scheduling
3. Eligibility and Benefits Verification
4. Prior and Retro Authorizations
5. Billing
6. Account Receivables & Denial Management
7. Client Dedicated/Independent Patient Helpdesk
8. Patient Statements
9. Virtual Medical Assistants

How Much We Charge:

We understand that cost is an important factor when choosing a medical billing company, and we are proud to offer competitive pricing for our services. Our pricing structure is simple and transparent
